

MANUFACTURE

COMMERCIAL INDUSTRIAL HIGH SECURITY SPECIALTY

High-quality doors, shutters & grilles to keep commercial spaces secure yet aesthetically appealing.

Doors

Our impressive range of commercial doors offer a blend of style, function, and durability.

Shutters

Both our aluminium and polycarbonate shutters are ideal for retailers requiring compact security solutions.

Grilles

Monarch grilles offer an elegant compromise, keeping any retail space both protected and visible.

Industrial doors & windows designed and built with the toughness to endure Australia's most demanding conditions.

Doors

We offer Sealeck doors in variety of finishes, materials, thicknesses, and colours, to ensure that every door perfectly suits its application.

Windows

The strength and durability of our Sealeck windows makes them perfectly suited to harsh environments.

In the most critical situations, our rigorously tested physical security solutions offer peace of mind.

Doors & Walls

Our attack, bullet, and blast resistant doors are tailored to offer the highest possible standard of physical security in any situation.

Counter Protection & Windows

CBros and Sealeck counter protection solutions include anti-jump barriers, pass-throughs, rising screens, and shutters, while our window systems offer a variety of bullet and blast resistant glazing options.

Prison Systems

We offer a range of durable, pre-fabricated CBros cell doors, modular cell fronts, bars, and grilles to meet the needs of any correctional facility.

Custom-made door & window solutions designed for the unique needs of our customers.

Residential & Architectural

The Monarch range of high-end residential and architectural products are tailored to provide both style and function to any home or building.

Bio-Containment

Sealeck Bio-Containment doors, windows, and pass-throughs offer absolute protection from airborne contaminants to hospitals and research facilities.

Locomotive

Our range of durable Sealeck Locomotive Doors provide fire, noise, and slam resistance to trains across Australia.

DEPENDABLE

100% AUSTRALIAN MADE

Designed and manufactured in Australia, our products are tailor-made to exceed the expectations of our customers and pave the way within the international market.

OUR VISION

We value, train and encourage our staff to create a learning environment where both our practices and products are constantly improved through innovative thinking and new technologies.
