

Clearfold & Mini Clearfold Doors

HORIZONTAL FOLDING DOORS

Smart design that eliminates the need for a floor track.

ARA Manufacture's Clearfold and mini Clearfold folding doors glide smoothly along an overhead track which is tucked neatly away in the ceiling. Their ingenious operation eliminates the need for a floor track, while its hinges are specifically designed to allow the door to follow an overhead curved path.

OVERVIEW

Uniformly comprised of an even number of panels, these doors can be custom-made to suit numerous opening widths. Stacking easily in compact folds, they allow for maximum use of floor space and a lead post for ease of use.

The overall impression is that of a wall of windows, without compromising on security.

These doors can be tailor made to suit your individual specifications and their versatility makes them an ideal choice for a wide range of commercial applications.

APPLICATIONS

ARA Manufacture's Clearfold and mini Clearfold folding doors suit many commercial large openings including:

- Shop fronts
- Restaurants
- Function centres
- Showrooms

DESIGN

- **Locking:** Locking up and down is provided at curtain ends. Floor locking provided on consecutive hinges.
- **Tracks:** Two-part extruded aluminium 100mm x 68mm profile. Curved tracks available.
- **Stack bay:** Enclosure must be 20mm outside track line to clear lock cylinders.

SIZE	FINISH
