

# Sovereign Door

## VERTICAL FOLDING DOORS

### A contemporary vertical opening strategy for commercial buildings.

ARA Manufacture's Sovereign bi-fold vertical folding door offers maximum visibility as well as excellent security, giving the overall effect of a retractable window.

#### OVERVIEW

Leaving no floor tracks behind, the Sovereign door creates a safer environment and efficiently uses valuable space. Stylish and strong, the Sovereign commercial door continues to market your products and business to the passing trade after business hours.

#### APPLICATIONS

The Sovereign bi-fold vertical folding door suitable for a range of commercial projects including:

- Shopping centres
- Bar tops
- Counter tops
- Shop fronts
- Bottle shops
- Arcades
- Doorways
- Sports complexes
- Schools
- Clubs
