

## Locker accessories

# Desk caddy

Made from Global GreenTag™ Certified Woven Image 7mm EchoPanel®, our customisable desk caddy takes your team from locker to workspace without a hitch.

### SPECIFICATION

**Composition:** 100% PET, 60% recycled.

**Sustainability:** EchoPanel® achieves Global GreenTag™ certification (Green Rate Level A) with the maximum Product Health Declaration™: Platinum Health, for EchoPanel® plain colours.

**Life cycle:** EchoPanel® boasts a 10-year life expectancy, after which the material is 100% recyclable through the Woven Image take back program.

### COLOUR RANGE

Recyclable

#### Carry it all

Three multi-purpose storage sections can carry anything from pens, reusable cups, cables or calculators.

#### Fully customisable

Need to fit something specific? Our caddies are fully customisable.

#### Spacious

The largest space fits items like a 15 inch laptop, keyboard and a notepad.

#### Upcycled

28 recycled 600ml PET bottles are diverted from landfill and our oceans to make each desk caddy.

#### Light as air

Our desk caddies weigh less than 1kg making them super light and portable.

#### Acoustic control

The soft surface of EchoPanel® won't clang when moved around the office. While sound absorption properties reduce noise.

#### Make it your own

Custom print any logo or design onto any corner or across the whole caddy.
